Committee Reports:

Financial letters, statements and pledge cards were mailed on January 29th to all parishioners.

Old Business:

Steve Hoeger brought information to the table from Ken Kress, Real Estate agent, regarding the current status of the sale of the parish land. The council discussed that we may need to consider alternate options for selling the land. Father made a motion that we reduce the listed selling price by \$100,000 to \$1.1 million. The council unanimously voted to approve this price change.

New Business:

A meeting will be scheduled for Thursday, Feb. 18th, to follow up on the pledge cards. Steve Hoeger will contact Mark Ernst, Finance Committee Chairperson, to determine how the phone calls will be handled.

Steve will work with Jerry Spiegel and Mark Ernst to put together a grant application to the DRA for purchase of a replacement lawn mower.

Annette Kress made a motion to adjourn the meeting. It was seconded by Mike Brehm.

Next Meeting – Mar. 1st @ 8am (following Mass)

Respectfully Submitted,
Annette Kress
